Lived: March 17 1990  
Bray, County Wicklow, Ireland  
Fame: singer-songwriter

Hozier's mother, Raine Hozier-Briny, is the artist of all of his album covers.

Hozier describes himself as "a gangly introvert." He feels his duty is to make music.

"I still wouldn't define myself as an atheist- it's too absolute. But I don't have any faith. I think faith is an absurd thing but I'm OK with that. There are no answers because the universe never asked a question in the first place."

Hozier was raised in the Quaker faith, though he no longer identifies with the religion.

He began his music career at 15, as the singer of an 8-piece blues band.
